- Tap the checkboxes for the channels you are interested in

Remember to check back regularly for new channels that your teachers may have added.

4. Enter your classes

Tapping on the classes icon also gives you an option to set up your timetable. Select that option and enter your class names and select colours and icons. You can also enter morning, lunch, and after school activities. When you tap on "Done", the app will fill in your timetable.

5. Access school information, links and files

The school and teachers will add links and files that provide resources to the school community such as course materials for remote learning, health advisories, and other school, district, and provincial information. To access these school-wide and channel-specific resources:
